

GETTING TO THE KLAUS BUILDING BY FOOT

THURSDAY'S SESSIONS WILL BE HELD IN THE KLAUS ADVANCED COMPUTING BUILDING (ON GEORGIA TECH'S CAMPUS AT 266 FERST DR NW, ATLANTA, GA 30318)

The Klaus Building is approximately 10 minutes on foot from the GT Hotel.

The short version: Leave GT Hotel from 5th Street exit, behind the lobby bar. Go left, and walk straight until you see the building shown in picture below. Find room 1116W for the GE3 meetings.

Detailed version: Use the GT Hotel's 5th Street exit, behind the lobby bar. Turn left and head west on 5th Street (you will see Moe's Burritos and Marble Slab Creamery across the street; Waffle House, Tin Drum on the same side of the

street as you are walking). Cross the bridge over the interstate and head downhill. You will cross Techwood Drive and Fowler Street. At Fowler Street, 5th Street becomes Ferst Drive.

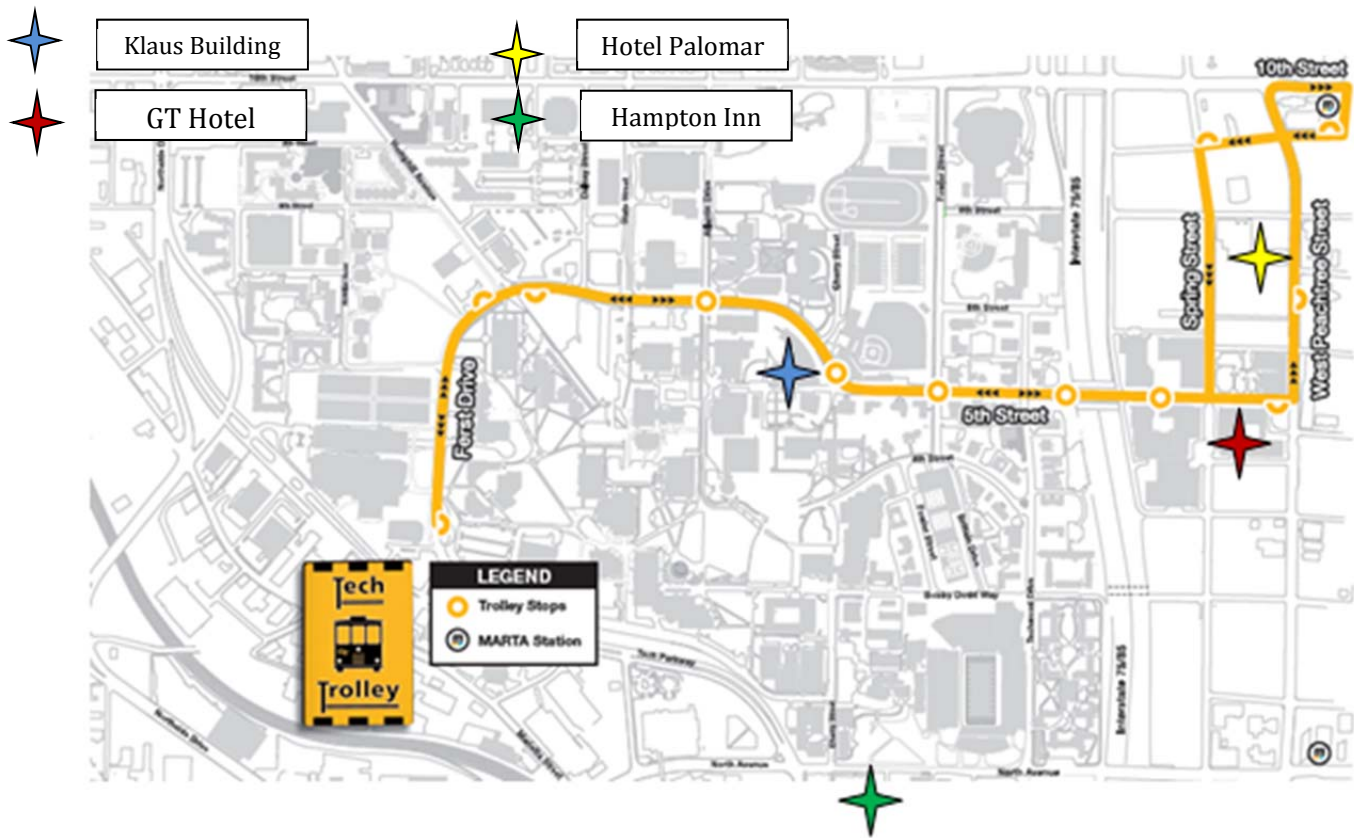

Continue on Ferst Drive past the baseball stadium on your right and fraternity houses on the left. The Klaus building will be directly in front of you (see picture at right). Head up the stairs (that seem to divide the exterior of the building in the picture on the right). You will pass a series of windows which are the building's main atrium.
