# May 17–20, 2016

Global E3 Annual Meeting  
Delft University of Technology

*Vermeer's View of Delft (1661)*

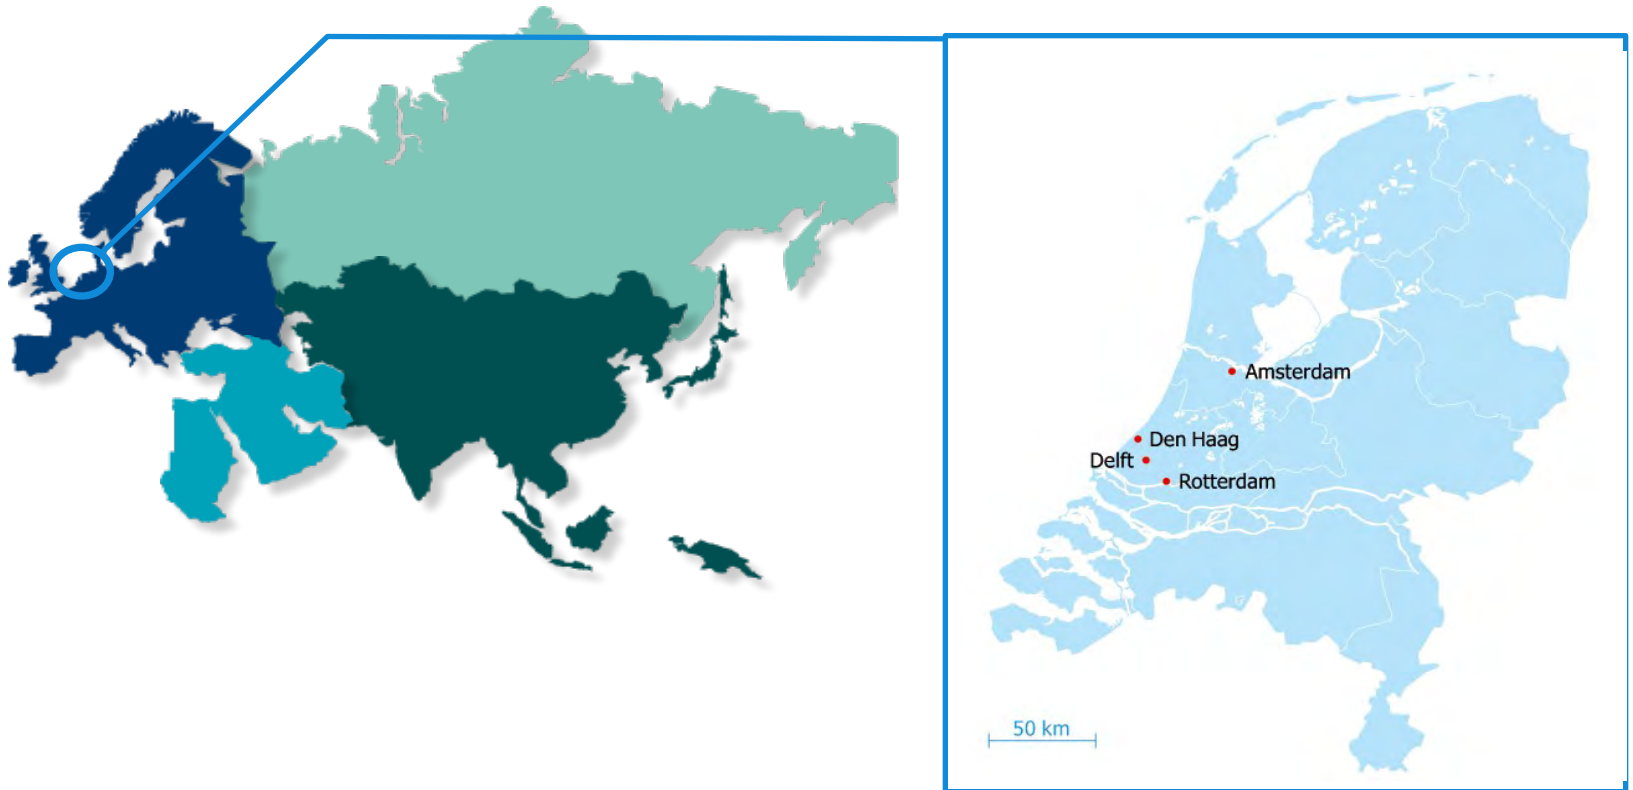

*Delft*

# Delft

A historic city in The Netherlands, Western-Europe

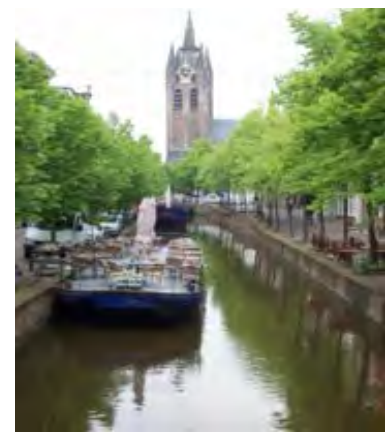

# Delft

## Student city and important tourist destination in Europe

- Over 20,000 students
- Traditional Dutch town center with many canals
- Within one hour travelling distance of Amsterdam, Rotterdam, The Hague and Amsterdam Schiphol Airport
- Well known for:
  - Delft Blue pottery
  - home of Dutch painter Vermeer
  - final resting place of the Dutch royal family

*TU Delft*

# Delft University of Technology

## Facts & figures

- Oldest and largest university of technology in the Netherlands – established 1842
- 8 Faculties (schools) in Engineering and Design
- Total student population: 20,000
- 16th University of engineering & technology in the world (QS world university rankings: 2014)
- Leader in online education: 400,000 MOOCs participants as of April 2015

# Experimental Facilities for Education and Research

High-voltage engineering laboratory

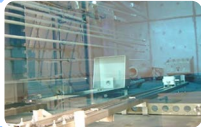

Clean room (DIMES)

Wind tunnels

Water basins for coastal and marine research

Experimental Nuclear Reactor

Aerospace facilities (e.g. jet plane, flight simulator, materials and structures lab)

Delft Kavli Institute of Nanoscience  
& QuTech Centre for quantum technology

# International orientation

- Over 200 BSc classes in English
- 20 Minor programmes in English
- All 35 MSc programmes in English
- 30% of MSc population is international
- Over 1,200 new international students welcomed in 2014
- Member of many international consortia and networks
- Joint research centers abroad
- Online education leader
  - EdX Contributor & Charter Member

# *TU Delft & Global E3*

# TU Delft & GE3

- Joined Global E3 in spring 2013
- An active contributor to the Global E3 network in student exchange & annual meeting contributions
- Wish to host & send more students, actively addressing challenges & opportunities

# What we've got planned

## Meeting Format

- Inspirational
- Initiative
- Interactive
- Collaborative

## • **HEADS-ON / HANDS-ON**

# What we've got planned:

## Global E3 2016 Annual Meeting

- Conference venue: TU Delft Science Centre
- Campus tours, including: lab facilities, online education studios & collaborative learning spaces
- Lunch & guided tour at the Royal Delft porcelain factory
- Reception & dinners at historic locations
- Delft historic center tours:
  - by foot or canal boat

# Logistics

- Arrival/transfers:
  - Amsterdam Schiphol Airport has a direct railway connection to Delft, with a duration of only 40 minutes to the city center.
- Accommodations:
  - Preferred hotel partners within the historic town center
  - Within walking distance of the campus & conference venue
- Transport options around Delft:
  - Walking
  - Biking
  - Public transport
  - Taxi services

See you in Delft...  
**May 17–20, 2016**
