2. UNIVERSITY OF...

INNOVATIVE EDUCATION

The background features a series of thin, white, wavy lines that flow from the left side towards the right. On the right side, there is a complex, tangled structure composed of white and red lines, with small red dots scattered throughout, resembling a molecular or network diagram.

UNIVERSITY
OF TWENTE.

The background image shows a spacious, modern educational environment. On the left, students are seated at long wooden tables, some working on laptops. The room is filled with natural light from large windows. In the foreground, three students are sitting on large, bright green beanbag chairs, each using a laptop. The overall atmosphere is collaborative and tech-oriented.

EXAMPLES OF INNOVATIVE EDUCATIONAL FACILITIES:

- Design Lab: the embodiment of our multi-disciplinary design philosophy
- Virtual Reality Lab
- Classroom of the future: blended learning
- INTEGRATED MODULES, INTEGRATED LEARNING

- 
- A wide-angle photograph of a large, modern lecture hall. A male speaker in a light-colored jacket stands on the left side of a circular stage, gesturing towards the audience. The audience, consisting of many young adults, is seated in tiered rows of red and black seats, filling the hall. The room has a high ceiling and large windows, creating a bright and open atmosphere.
- 20 Bachelor of Science programs
 - 36 Master of Science programs
